Celebrate with us...

Your wedding. It's one of the most important days of your life. So it's only natural to want everything to go smoothly. Our role is simple. We promise to take care of all the little details, to make sure you enjoy the wedding of your dreams.

Your dream wedding Wherever you want it to be.

It's all about you and your special day. When you book your wedding at a Hilton hotel, whichever of our venues you choose, our promise to you is that we will make sure your wedding is everything you've always imagined.

We'll take care of everything

From the moment you come to see us, you will have your own dedicated Wedding Planner, who will meet you for a chat, find out what you want for your big day, and provide you with a detailed plan. Our commitment to providing a truly personal service means that your Wedding Planner will be with you every step of the way, and ensure that every detail is taken care of.

Fabulous food to remember

Our chefs offer a superb choice of menus but above all, we promise flexibility. What matters most is what's important to you and that we serve what you want. If you have a passion for a particular food, we'll make sure it's on the menu. And once you've chosen your menu, we can arrange rehearsals and a special menu tasting. We'll also put together the finishing touches with you by agreeing the right wines to accompany each course.

Not forgetting the little ones

We provide special catering for children at your wedding – they can enjoy a smaller portion of your menu or you can choose from specially selected children's menus. Because if the children are happy, everybody's happy.

And when the big day arrives

On your special day, your wedding host will greet you and your guests, and make sure that everything runs smoothly. We'll arrange for you to meet your wedding host well before the day, to take you through everything step by step.

Staying over

Spend your first wedded night in style! With a Hilton wedding, the bride and groom will enjoy a complimentary upgraded room. And for your guests, we provide preferential room rates.

Some extra Hilton touches

To help with the wedding planning, we also provide a personalised web page to help manage room bookings, gift lists, a plan of the day, with a space for personal messages and so on. And to help make those memories last a little longer, we invite you back to your wedding venue for a complimentary First Anniversary dinner.
