# Giving back

## Supporting children and young people

**Hilton has always been conscious of its duty towards the local communities in which it operates.**

Hilton in the Community Foundation is our charity and is dedicated to making a real difference to those young people most in need from the communities that the Hilton Family of Hotels serve.

Through the active involvement of Hilton team members, guests and suppliers, the Foundation raises money for those who are most in need in three principal areas:

- Young People and Education
- Young People and Health
- Disaster Relief and International Fund

Since 2001, thanks to everybody's help, the Foundation has raised over £6 million and has donated this fantastic sum to more than 550 excellent charities, supporting children and young people in the communities where The Hilton Family of Hotels operate.

A considerable proportion of income is generated through fundraising efforts by our hotels and thanks to the support of our generous guests and suppliers. The Hilton Family of Hotels contributes financially to the Foundation, including paying all its central administration costs. This means that every net £1 and €1 raised goes directly to charitable causes.
