Hilton Croydon is an outstanding venue for meetings, with the largest conference and banqueting facilities in the local area. It's also really easy to reach from all parts of the South of England – only 15 minutes from junction 7 of the M25, on the A23, and only 18 miles from Gatwick Airport. And central London is only 15 minutes away by train or tube. A choice of 15 well-equipped, air-conditioned meeting and conference rooms provide the perfect environment for a wide variety of events, accommodating up to 400 people. The Weatherill Suite is particularly impressive for larger gatherings – it has its own private bar and lobby area, enjoys natural daylight, and can be split up into smaller spaces to create break-out areas or syndicate rooms. After the work's over, we have our fitness area by PreCor which is available 24hrs, 7 days a week. Or perhaps simply get together over dinner in “The Larder Restaurant”.
