SETTING

WELCOME TO THE HEART OF PERTSHIRE

Welcome to a day of love, celebration and the coming together of two hearts and two families in one of Scotland's finest hotels.

Set in over 280 acres of idyllic Perthshire countryside little more than an hour from either Glasgow or Edinburgh.

Daffodils in Spring, bluebells in early Summer, Autumn's rich colours or a crisp, white, Winter's day all add to the stunning backdrop of our country house setting.

Combine the wild and rugged romance with our imagination and passion for excellence and the result is an event you will never forget.

We would be delighted to invite you to an extensive tour of the hotel. Come and meet with your personal wedding coordinator and see for yourself what a glorious wedding setting we have.
