Setting the scene for romance

Romantic

Whether you are planning a lavish event or an intimate gathering for close family and friends, we understand how important your wedding celebrations are to you.

Classical architecture, sumptuous décor and every comfort imaginable – this is the epitome of a sophisticated city wedding. We have obtained the licence to hold civil ceremonies and partnerships so, with no need to organise transport for your guests, your day can flow effortlessly from ceremony to celebration.

Stunning during every season of the year, the Caledonian Hilton offers you uplifting views and photo opportunities around every corner, including the adjacent Princes Street gardens.

The Castle Suite

Delicate gold, ivory and powder blue; murals depicting the cool beauty of the Scottish countryside; golden pheasants and soaring eagles, all lit by chandeliers... This is a truly unique venue for your wedding reception, a breathtaking setting to match the floor-to-ceiling views of Edinburgh Castle.

You will find ample room in the Castle Suite for the Wedding Ceremony and Reception. The adjoining Castle Lounge offers the perfect setting for pre-dinner drinks. Please contact the hotel directly for information regarding set up capacities.

The Boardroom

Original oak panels and arched windows make this an impressive yet understated setting for more intimate celebrations. Ensclosed on the entresol level, the Boardroom's private location offers a venue with real character and charm, perfect for smaller ceremonies and receptions.

Effortless Entertaining

Whether you dream of performing your first dance before a swinging live band or a state-of-the-art DJ setup, we have the space and the facilities to make entertaining effortless. Your on-site, personal wedding planner will help you to source everything from local musicians to lighting specialists, from chair covers and favours to children's entertainers and florists, with the professionalism to bring it all together beautifully.

Divine fine dining

Sophisticated

Inspired by the freshest local ingredients, each dish is as exquisitely designed as the setting, with panoramic Castle views to make for a true, epicurean feast for the senses.

Tastefully yours

Our chefs offer a superb choice of menus but above all, we promise flexibility. What matters most is the right balance for you and your guests. No matter if you need to cater for traditional tastes, allergies and intolerances or personal aversions, we'll make sure everyone is happy so you can relax and enjoy the moment.

And if you have a passion for a particular food, we'll make sure it's on the menu. A tasting with our Executive Chef will give you complete peace of mind, and we can also suggest the perfect wine to complement each course.

Indulging your guests

The morning after the night before, your guests will be treated to the full Scottish Breakfast surrounded by the original, Caledonian Railway station architecture at Chisholms Restaurant.

Afternoon tea is served daily in the Pompadour Restaurant, while the Caley Bar is a warm and welcoming retreat for those who may want to sample some of our 250 malt whiskies, before heading out to experience Edinburgh's lively nightlife.

Time for rest and relaxation

Indulgent

After all that emotion and excitement, slipping upstairs and between crisp white sheets and plump pillows means a heavenly end to your most special of days. Or you can slip off for a dip in the pool, or a richly aromatic massage in the spa.

Luxurious sleep

Each of our 254 bedrooms and elegant suites is expressly designed to be the perfect place for your guests' relaxation. They will start their day gazing out of the window at the fantastic city and castle views, which many of our rooms possess. The furnishings are sumptuous, the bathrooms spacious, the TVs interactive and the internet connections impeccable, providing maximum comfort and convenience.

Blissful spa

Begin with a few leisurely lengths of the pool, while you decide how best to unwind. Calm the mind with a workout in our state-of-the-art gym. Recline in the muscle-soothing heat of our sauna and steam room. Surrender to serenity with a Thalgo facial or a deeply satisfying detox massage. And you can leave your last minute beauty necessities to us, from tanning to waxing to manicures.
