SUSTAINABILITY

Global Sustainability Goals

- **Reduce energy consumption from direct operations by 20%**
- **Reduce Co2 emissions by 20%**
- **Reduce output of waste by 20% and**
- **Reduce water consumption by 10%.**

In addition to these measurable short-term targets, we are also committing to focus on some high impact areas that offer huge potential long-term benefits, including sustainable design and construction, chemical management and purchasing.

We are also committed to the advancement of renewable energy as a source of power for our operations, not only to reduce our carbon footprint but to develop a viable commercial infrastructure for powering our building.

Mission statement

The **Hilton Family of Hotels** will manage our business through a lens of sustainability to benefit this generation and those that follow. Through action and innovation, we will lead our industry in products and programs that -

- Strengthen our partnerships
- Serve our communities
- Protect our global environment
- Enhance the guest experience
- Engage our employees
- Improve operational efficiency
- Enrich our family of brands
- Advance building design

Action and Innovation

at the Hilton Edinburgh Grosvenor

How we will make an impact? -

- Operate a 'Green Team' in the hotel
- Monitor energy consumption
- We use energy saving bulbs
- Recycle (paper, toners...)
- Use of environmentally friendly collateral
- Use fairtrade food produce
- Locally source products to reduce carbon footprint
- Encourage staff to use public transport and walk
- Our location enables guests to utilise rail and bus networks in Edinburgh

Ensuring sustainability

To ensure sustainable business practices in the countries in which we operate around the globe, we will:

- Focus upon our key environmental commitments – **energy efficiency, waste reduction, renewable energy, and sustainable buildings and operations, hotel & corporate operations, chemical management and purchasing**
- **Engage our team members** through training and active involvement
- **Ensure that environmentally friendly initiatives and tactics will impact the guest experience in a positive way**
- Share **best practices** and comply with relevant local, national and international legislation
- Liaise with our **suppliers and business partners** to improve their environmental performance
- Support environmental initiatives within the **local community**
