## AMERICAN CLASSICS

£8.95

---

The cocktail recently celebrated its 200th birthday, and its history is rooted in American lore from the early part of the 19th century, until it spread to this side of the Atlantic in the early 20th century. It is from this era that we draw our classic range.

Elegance and sophistication were the order of the day, and nothing epitomised it more than decadently sipping from a Martini glass.

Defined flavours; clean and simple blends of three or four ingredients were shaken and stirred to create something sublime.

These offerings have stood the test of time and are now accepted as a truly definitive drinking experience.

An experience we ask you to indulge in at Pima.

### Aviation

A consummate classic, the delicate yet powerful Aviation focuses on Plymouth gin as its base, which is excited by a squeeze of citrus and a touch of maraschino liqueur.

### Clover Club

A Pima twist on the classic recipe brings this offering bang up to date. The subtle botanical flavours of Plymouth gin are refreshed with raspberries and then slightly sweetened to create a club you would be proud to be a member of.

### Tennessee Smash

Fresh raspberries harmoniously melded with Makers Mark bourbon and mint. Soft and fruity with a touch of depth, this is a refreshing long drink with a touch of depth.

### Jack Rose

The 1920's elegant classic the Jack Rose takes its name from the use of Applejack as its base spirit, delivering delicious apple brandy flavours supported by a hint of citrus and a lick of pomegranate .

### Mint Julep

A favourite Southern charmer, the Mint Julep is a blend of Woodford Reserve bourbon and mint tickled with a hint of sweetness to charm the palate.

### Old Fashioned

Your choice of spirit will be slowly and passionately stirred to perfection by our Pima bar team and served in an old-fashioned glass.

Choose from:

Woodford Reserve Bourbon

Glenmorangie Original
